

LETHBRIDGE

The story of the wine...

2018 Gippsland Pinot Noir

Subregion: Gippsland

Planted: 1999

Clones: MV6, 114

Soil Type: Black Volcanic Basalt

Elevation: 30 meters above sea level, north facing.

Winemaking Description:

Indigenous fermentation with 50% whole bunches, matured in 50% new French oak barrels, un-fined and unfiltered. Note - Same winemaking practices applied to all batches.

The Wine:

Light ruby in colour. An airy nose comprised of maraschino cherry laced with both earth and a plethora of floral elements. The texture is sleek, middle weight and superb length.
